William Weston, son of John Weston and Ellen Patten, was born March 13, 1836 in Nova Scotia, Canada. At the age of nineteen he heard the gospel and was convinced of its truthfulness. He was baptized into the church of Jesus Christ of Latter Day Saints March 13, 1855.

He emigrated with the saints to Utah. The date he arrived is not known but he settled in American Fork. Here he met and was married to Hannah A. Wilbert but no children blest their union. Their love and sympathy was shown when they took into their home a friend and neighbor, Mrs. Francis, that was in poor condition and she gave birth to a son. [She] and the baby lived with them and when the baby was eight months old his mother died so he was never taken from their home. She was named Lemuel and raised as their own.

When the saints were advised to be rebaptized Brother Weston complied with this request. He was rebaptized July 3, 1884, by Brother Samuel Wagstaff and confirmed by Brother Warren B. Smith the same day, at American Fork, Utah.

Later, after the death of his wife, he married a widow by the name of Mrs. Mary Ann Scott, mother to Mrs. Martha Loveridge, wife of William Loveridge of the Highland Ward. He died and was buried February 5, 1905.
